Warm weather has got us all dusting off our cars and getting ready for cruising and car show season. And we are starting off with a good group of cars attending the Starbird Car Show February 20-22.

We plan on attending the upcoming Tulsa Swap Meet. If you have parts you want to sell or need, come on out and fellowship with club members and sell your surplus car stuff you don't need so you can buy more car stuff you do need.

Beginning the second Tuesday in March the cruise nights at Fuddruckers start up again. This is always a good time to meet fellow car people and make new friends. Let's try to have a good showing when ever we can. It is a good way to spread the word about our club and events.

Just a reminder if you run into some of our former members that are not current, be sure to invite them to join us again and make our club stronger and the best club in the area.

Be safe and enjoy your classic cars and classic friends.

## Meeting Notes....

The meeting started sharply at 7:00 Pm at Golden Corral's meeting room. 23 people in attendance.

Mike asked Sec Tim to read the minutes from the Jan meeting, they were approved with Greg B voting "Token" . I guess you had to be there.

Treasurers report. 3 new members have re-upped their dues.

We had some new members join last night. George and Cindy Mitchell with a Gold 67 El Camino. George will be joining us at Starrbird this year.

Please make them feel welcome at the show.

Our Insurance has been paid for the year covering us at events, drives gatherings etc....

Starbird is coming up in a couple of weeks . We will more than likely check in and set up Wednesday the 18th in the evening. The show is Fri-Sun the 20-22. Tim K is coordinating the design of how we will stage the cars based on our spot. We decided to bring a few things, like the Racing Tree Drag Lights and a Mock Dyno machine. If anyone has any other cool stuff for our clubs display, please bring it with

We will be having our Club Cruise in Saturday night of Starbird and going to UmBerto's Pizza at 21st street, one block West of Harvard. We will be eating at 5PM , hope you will come for this fun Annual tradition started 10 years ago.

We are doing the Kellyville Swap meet. We had several club members that have expressed interest with parts they want to sell. Wil, Dennis, Pres Mike, Larry G and William. More to come next month.

The club unanimously voted to send the Midwest Chevelle club our end of the " Seed " money for the regional show. Anyone interested in going needs to see Pres Mike .

For those that are interested , Member Michael Brueker has a detail Guy for anyone that is interested. He will do your car at Starrbird, inside and out, Top to bottom for \$50. Michael says "Shawn the Detail guy" does a fantastic job. 918-240-0287.

The 50/50 pot was won by Steve Owings.

The meeting was closed at at 7:47
