Better get those cars shined up this weekend. We are off to the car show season with a bang. In just a few days we will be setting up for the annual Starbird Rod and Custom Car Show. We still have room for more cars, so if you haven't registered yet, contact Wil Pfeiff to let him know and get you on the list. There will be a little something for every kind of ride this year. You got it, bring it.

In April we will be attending The Chill Car Show. It will be at the same place as the Starbird show. Our club has been invited to help in set up, judging, and registration. We need volunteers to help out where you can. It is not an all day commitment, a few hours here and there. The more people we have the less time commitment we need. Our club will be nicely compensated for this service and helps us get in on the ground floor of a new show. If you are interested in showing , helping out or both, contact Wil Pfeiff and let him know.

Thank you for making our club one of the best in Tulsa.

Meeting Notes....

Meeting called to order at 6:57 Pm , good attendance 27 people.

Minutes from previous meeting, read and approved.

Treasurers report read and approved.

OLD BUSINESS

Starbird info for the show was discussed by Wil Pfief, our car show chair. The Club voted on getting plastic re-useable chain in order to get rid of the yellow SKI Rope that we use for our stations. The club voted and approved 500 Ft of Red Plastic chain. Mike will purchase and get reimbursed.

Dennis will scope out our site on Wednesday morning so we know what we are dealing with when we check in. Wil Pfief will make contact with all of the club members who have signed up for Starbird, for meeting and check in time Wednesday the 17th of FEB. We will meet in the north Parkinglot of the EXPO. Time to be announced.

Dennis is checking to see if the detailer will be available this year again.
