Mother Nature has been a fickle lady this summer. Been hard to get our cars out with out water wings or ice blocks to sit on. But we have had our cars out and playing when we can. Some of us have been under the hood adding toys or fixing what we broke. LOL

The Mid-West Chevelle Regionals were held in Springfield, MO, on June 26th and 27th. After a wet morning start, the show was really fun. Over 90 cars showed, which was a new record for the Springfield show. Many beautiful Chevelles and El Caminos were on display. Belinda Robertson took lots of great pics of the event. Look at our Facebook page to see the pics. Mike Smith, Frank and Belinda Robertson and Rick Wright represented our club. Mike and Frank took second place in their respective categories.

Membership Dues are now due. And don't forget, nominations for officers for the 2015-2016 year will be held at the August meeting. Consider running to be one of the officers and help make a difference in our great club. Elections will be held at the September meeting.

There are lots of shows coming up in the next few months. As always, get those cars out and let's have some fun. Stay Safe

They said the Springfield had 94 cars ( A record) Next Year Kansas City will be hosting this event, then possible the Heartland Club in Omaha NE.
