What a hot month it has been. Lots of high temperatures and showing off our Hot Rods. We had members show well at lots of area shows. We had a good turnout at Hogs N Hot Rods, Patriotfest Route 66 parade and show, and the Tulsa Super Chevy show at the Tulsa Raceway Park.

The negotiations of a possible club merger with the Tulsa Chevy Classics are on going. The meetings have been positive and productive. Once things are worked out and if the committees suggest we merge, it will be put it in writing for membership review and will be voted on by both club memberships at a regular club meeting. With the exception of leaving all current officers in place until after the decision on the merger is made, it will be business as usual for our Club and its members.

There are several chances to show our rides and make new friends. See the Events page for more information. One to mention is the Midwest Chevelle Regional in Kansas City, Kansas on September 23-24.

Get out there and show those beauties and have fun.

Meeting Notes....

Meeting called to order at 6:56 PM. 13 People in attendance.

Treasurer's report read and approved. Secretaries report read and approved.

Our Internal committee met , Dennis G, Jeff P and Wil PfiEFF. They contacted the Classic Chevy group and their rep, Rick Turner, is going to get his committee together to get with our to discuss the finer points and challenges of merging the two clubs together. Jeff Pense offered his Companies conference room to meet when they are ready. .

The Classic Chevy club has invited us to their meeting on the 25th at Hardesty Library.

The Website needs updating and an overhaul. I think this may need to wait until we see if we are merging with the other club.

It was voted that the current officers will remain in place until such a time we know if we are merging the clubs.

Super Chevy show is coming up July 22nd and 23rd. The Race way has rented out the entire park to Super Chevy Show. We were hoping to have a Chevelle Corral but that doesn't seem likely.

Meeting was called at 7:45

Membership renewals are now due.
