The past month has been met with rewards and sorrow. Many of our members have done well a local car shows. Congratulations to you all. But this newsletter will dedicated to a lost member of our club.

On Monday June 13th, we lost long time member and friend Bob Small. Bob succumbed to a short termed battle with cancer. Bob and Genevieve Have been long time members and supporters of our club and classic cars. No matter what event we had or car show, they were always there with their beautiful cars. Bob was the envy of many with the quality of his cars.

Bob was always quick witted, a die hard Cheesehead, dedicated husband and father, and always a friend to anyone that knew him. He always had on a cowboy hat, unless it was game day. Then he had on his Cheese hat. And always willing to talk about cars. His car passion was infectious.

Bob, you will always be a part of us and missed. Our lives have been blessed to be able to call you our family. Go in peace and know you will forever be in our hearts. We will see you at the club events in the next life.

Please remember Bob's family in your thoughts and prayers.

It was proposed by Wil Pfief and Mike Smith that we consider joining the Classic Chevrolet Club. We considered this last year but chose to stay where we were, the clubs core is strong, however, we aren't attracting as many new members. Wil, Jeff Pence and Dennis Genavola were asked to head the committee to discuss this rather large move. Please submit any questions that you, to them so they can get the questions answered if you have any. The Classic Chevy group meets the last Monday of the Month at the Hardesty Library meeting 7-8 if you would like to sit in and observe.

Nothing is set in stone and membership input is encouraged. Any proposed changes or actions will be voted upon by the membership at one of our monthly meetings. All proposals will be e-mailed to the membership prior to any vote being taken.

Both clubs have participated in several events together and they have been successful fun events. We will still be participating in and hosting events such as the Midwest Chevelle Regionals. (We are slated to host the 2018 Regionals here in the Tulsa area.)

When the committee meets, members are invited to sit in and observe. We will try to keep you posted on when those meetings are scheduled. Feel free to contact any member of the committee with your thoughts, concerns, recommendations, or emotional out bursts.
