As we start to enjoy the effects of Spring Fever, we are off and running in the car show season. Congratulations to Granville Crittenden for placing in the Top 50 at the Starbirds Car Show. Our club was well represented with several of our members beautiful cars.

Cruise night on Tuesdays are back in full swing and our members are showing pride in their cars and sharing their pride and joy.

Don't forget about cruise nights at the Jack in the Box in Broken Arrow at Aspen (145th) and Kenosha (71st) . It is always on the 4th Friday of each month.

Be sure to check our calendar for events in April. We have many events to participate in and even earn some money of ourselves and the club. So clean out your old unused parts, bring them to the Swap Meet and make some money so you can buy some more new parts for your ride. If you are interested in showing your car in the New Car Show contact Wil Pfeiff. If you pre-register for the Tulsa Chill, make sure you mark what club you are with so we can all be parked together. If you are willing to help earn some money for the club, contact Wil Pfeiff to let him know when you would be able to help at The Tulsa Chill with various tasks before the show and during the show. We need as many volunteers as we can get.

Let's get out there and have some fun with those rides and fellow Chevelle enthusiasts.
