As embark on a new year in the Oklahoma Chevelle Owners Association, some things are changing and some will remain the same. In our September meeting we elected many new officers and re-elected some.

We want to thank all of the out going officers for all of their hard work and dedication to our club. Without your efforts we would not have had the great year we just had. Special thanks goes out to all who answered the call of working at the many club sponsored events we had. Every one of them was a success.

We hope that we can make this year a year of bringing in new members, participating in many club events and shows, getting to know each other better, and even help out with working on any members car that needs help. Fellowship and greasy hands are always a goodtime. New ideas for events, cruises, and any reason to get together is always welcome.

Let's get behind our new club officers and make this the best year ever.
